City of Santa Clara

The Council Item Request Form is for members of the City Council to submit written requests to the City Manager's Office for inclusion of an item on a future City Council meeting agenda. At the meeting where the initial written request is heard, discussion should be limited to whether the item should be added to an agenda and a date, not the merit of the item. A majority vote of the City Council is required for the item to be added to future Council meeting agenda for action.

WRITTEN REQUEST

I, Councilmember Park, hereby request that the following item be placed on the City of Santa Clara Council and Authorities Concurrent meeting agenda:

I would like to discuss how residents can safely park their cars in or near their apartment complexes without fear of getting ticketed or towed. Related owns much property in the area and should have provided alternate parking during their construction phases on other parcels. If management cannot provide sufficient parking for affordable housing residents at reasonable rates, i would like to look into permitted street parking for residents.
