*Santa Clara City Code Chapter 17.30 provides delegated authority to the Executive Director to execute agreements in an amount up to and including \$100,000, as allocated to and authorized by the Stadium Authority by adoption of the annual budget, for supplies, goods, equipment, services, and public works. For agreements where there are shared costs, including those for Shared Stadium Expenses (Stadium Expenses) which are split 50/50 or 30/70 for groundskeeping between the Stadium Authority and Forty Niners SC Stadium Company, LLC (StadCo) per the Stadium Lease, the \$100,000 threshold only applies to the Stadium Authority's portion of the agreement.

**Note: ManCo entered into a Lease for its Office Space, with Landlord Gu-Guide / Kipee International, with start date of April 1, 2025. ManCo claims Stadium Authority owes for a portion of that office lease expenses a Shared Stadium. Stadium Authority disputes that position, claim and charge, and the dispute is subject to anticipated Arbitration under the Stadium Lease's Dispute Resolution Procedures.
